### 262 — Not Really Hungry

Panel 1: Sheila and Nickey are sitting at their table in the café. Nickey asks, “Shee, are you hungry?” Sheila responds, “I’m a bit put off it, truth to tell. You?”

Panel 2: Nickey, her chin on her hand, says, “Not really up to it. Stomach’s kind of wound up, I guess. Want to go for a walk? Just go talk for a while?”

Panel 3: Sheila, looking away, her hand covering her mouth, replies, “Nick, I’m not sure I can say what I want... out loud...”

Panel 4: The table at which they were sitting is now vacant. The ladies have left the building.
